

Angel Festival

The annual Angel Canal Festival <http://www.angelcanalfestival.org/> [1] takes place usually on the first Sunday in September in and around City Road Basin in Islington.

This year, 2016, the Festival is on Sunday September 4th, from 11.00am - 5.00pm. The Pirates always attend with our narrowboat Pirate Viscount and usually with our disabled access wide beam boat Pirate Prince. The Angel Festival is a fun day out in Islington for all the family, with loads of boats both modern and historic moored along the navigation and in City Road Basin and plenty of stalls and activities lining the towpath and surrounding streets. Why not drop by and say hello? We look forward to seeing you there.
